

### **Year 1 & 2 – YETI AND THE BIRD**

I would like children to complete the following homework which leads up to the work they will be doing in class next week. This will allow you to be more prepared knowing what's coming up and that's only if you try and give it a go....

Task: Answer the following questions in your book. *Remember your hand writing, finger spacing, spellings, commas, capitals and full stops will be looked at.*

- 1) Do characters change over a period of time? State some examples from the book so far.
  
- 2) Can we help each other to be kinder through our actions? State some examples from the book so far.
  
- 3) Was the Yeti always kind or did he just need the friendship of others? State some examples from the book so far.
  
- 4) What do we have to include for sentences to make sense?
  
- 5) Can you complete and sequence a story of your own using the story mountain you completed in class. (There should be at least 5 - 7 sections of your stories main events).

**Mr Ahmed – KS1 Teacher**
