

This week for Maths your child has been learning how a quantity of a group can be changed by adding one more. We have been learning this through first, then, now stories. Please help your child draw this first, then, now story template in their books. Then ask your child to create their story.

- 1. First you have 5 teddies in the boat.
- 2. Then 2 more wanted to come in the boat.
- 3. How many are in the boat Now?

First	Then	Now
