

## English Homework

### LO: I can use inverted commas.

**Task 1:** Read each sentence. Rewrite the sentence using inverted commas.

Example: Poppy told her teacher that she forgot her homework.

“I forgot my homework,” said Poppy.

1. Felix asked his mum if they could go to the movies.

---

2. Ciara thought that the ice cream was delicious.

---

3. Preet thanked his grandma for the new basketball.

---

4. Gabriella told her mum that she had a soccer game on Saturday.

---

5. Isaac asked Tao if he wanted to come over after school.

---

### **Task 2:** Word of the Week: **Seasonal Food**

**Meaning:** Seasonal food is fresh food that is ready to eat during its preferred season. Scottish raspberries are juicy and delicious in the summer and early autumn. They do not grow wild in Scotland during winter as it is too cold.

**For example:** My aim is to serve fresh, seasonal, contemporary food in a sharing style.

### **Task 3:** Spelling

Look	Copy	Write	Check
Breath			
Breathe			
Build			
Bicycle			
Business			
Believe			
Biodiversity			

## Task 4: Reading Comprehension

### What Plants Need to Grow

6 To grow properly, a plant needs:

7 • air;

8 • light;

9 • water;

10 • nutrients;

11 • warmth.

16 Why does it need them?

27 • If a seed is not warm enough, it will not germinate.

35 Germination is when the seed starts to sprout.

45 • If a plant does not have enough light, it will  
56 grow to be tall and flimsy as it tries to search  
63 for light. The plant will probably die.

74 • If a plant is not watered enough, its stem will be  
85 fragile and it will have very dry leaves. Again, it will  
88 probably not survive.

99 So, where is the best place to grow a healthy plant?

### Quick Questions

1. What do you think would happen if you planted a seed and put it into a cold, dark cupboard?

---

---

2. What is germination?

---

---

3. Find and copy the word that means the same as the adjective 'delicate'.

---

---

4. Where would be the best place to grow a healthy plant?

---

---
